CANDY

Candy's He-Man

CANDY O'CONNOR was lolling in the big easy chair with a movie magazine when Ted Dawson, Candy's almost steady heart throb, strolled into the living room. "Isn't he absolutely deevine," moaned Candy, as she threw back her head, her eyes closed in an ecstatic expression. "Well, I didn't know you eared that much, dream girl," replied Ted, as he smoothed back his hair confidently. "I know I've been looking rather well lately, but—yuk-yuk."

"Oh, stop it, Ted Dawson," interrupted Candy, as she leaped to her feet. "You know very well I wasn't talking about you. I'm simply fascinated by Rod Tyler, the teen-age movie find, that's all. He's positively breath-taking, so broad shouldered and muscled. Real rugged he-man stuff." With this, she sighed and sank onto the sofa, a dreamy smile on her face. Ted moved in beside her and grabbed the movie magazine from her hand. "Let me glim the wonder-hoy. He's probably first cousin to a Neanderthal," he growled.

"No wonder," exploded Ted indignantly, "who wouldn't look like a muscled man. This chick spends three hours a day in a joint called 'He-Man Buildup Salon.' Any guy who takes that much time for his looks, phooey!" Candy had perked up on this one. She retrieved the magazine and started to read avidly. "Is that what it says? Gosh, those 'He-Man Buildup Salons' must be all over the country. They just opened one here in Hartwick."

"Don't tell me any guy with an ounce of brains is going to go to an outfit like that," scoffed Ted. But Candy didn't reply as she concentrated on the magazine. Finally, she lay down the book and turned to Ted in a businesslike manner. He was yuk yukking as he thought over the problems of Rod Tyler, movie muscle head. "You needn't cackle in that condescending manner, Ted Dawson," said Candy. "These 'He-Man Buildup Salons' are not beauty parlors, you know. Actually, according to this magazine article, they're like a gymnasium, only you build up your muscles under the direction of *experts*."

Alarmed, Ted sat bolt upright. "What do you mean 'you build up your muscles?' If you think I'm gonna get hooked into a deal like that—" "Who said you'd get hooked," countered Candy. Then looking snooty, she continued, "After all, if you want to go all your life looking scrawny and shrimpy, when you could be the picture of hawn," she paused briefly. "Well, everybody to his own taste, I guess."

Ted shrank into the corner of the sofa, a sad sight to see. Candy's words had cut him to the

quick. "Gleeps," he thought, "am I gonna let this chick talk me into competition with her movie dream man? Ted Dawson, the all-American goof." Out loud, he spoke firmly, his chin set squarely. "Listen, gal, I love ya, but I'll be darned if you're going to lure me into one of these muscle factories." Famous last words!

Thirty minutes later, Ted's car pulled up in front of the Hartwick He-Man Buildup Salon. Candy sat beside him, looking happy. "Now don't be a grump about this, Ted. You'll probably have a wonderful time. I'll read the magazine and wait for you in the car." Ted was morose as he parked the jalopy. "What if some of the guys should see me. I don't know why I let you talk me into this." "Because you want to be rugged and handsome," replied Candy smugly.

An hour later, Candy closed the magazine and eyed the door of the Hartwick He-Man Buildup Salon. "I suppose he'll come out with a face like a storm cloud," she mused. "But if this article is right, it'll make a new man of him in a few weeks. I'll just have to talk him into continuing the course until the end," Candy smiled as she thought further. "Maybe he'll make varsity tackle on the football team."

"What are ya dreamin' about, sugarfoot?" interrupted Ted, as he jauntily stepped into the car. A startled Candy replied, "I must say you are looking mighty chipper. I guess you found out I was right. It wasn't so bad after all, was it?" "Right you are, chick! It was nothing short of terrific. As a matter of fact, I'm driving one of the instructors to the hotel. Do you mind waiting a minute?"

Before Candy could reply, she saw Ted's eye stray and he scrambled to get out of the car. "What's the matter?" she started, and then she spotted the instructor. Ted had dashed up to the salon door and was ushering out a gorgeous blonde. Candy's mouth hung open as Ted brought her over to the car. "Candy, I'd like you to meet Miss Sinclair. She teaches, er . . . muscle coordination in the He-Man Buildup Salon." Miss Sinclair greeted Candy in a friendly manner. Candy's return was a frosty, "How do you do?"

Driving home after dropping Miss Sinclair at her hotel, Ted eyed Candy with a glint. "I'm looking forward to that next session tomorrow." Looking straight ahead, Candy replied, "You're looking BACK on your *only* session. I like *your* old, scrawny self. We'll just forget about the he-man muscle program from now on!" As the jalopy clugged along, Ted's joyful guffaws could be heard echoing up and down the street.

I Can Make YOU a New Man, Too, In Only 15 Minutes a Day!

CHARLES ATLAS
Holder of title,
"The World's
Most Perfectly
Developed
Man."

PEOPLE used to laugh at my skinny 97-pound body. I was ashamed to strip for sports or for a swim. Girls made fun of me behind my back. THEN I discovered my body-building system, "Dynamic Tension." It made me such a complete specimen of manhood that I hold the title, "The World's Most Perfectly Developed Man."

What's My Secret?

When you look in the mirror and see a healthy, husky, fellow smiling back at you — then you'll be astonished at how fast "Dynamic Tension" GETS RESULTS! It is the easy, NATURAL method and you can practice in the privacy of your own room — JUST 15 MINUTES EACH DAY. Just watch your scrawny chest and shoulder muscles begin to swell . . . those spindly arms and legs of yours bulge . . . and your whole body starts to feel "alive," full of zip and go!

Thousands are becoming husky — my way. I give you no gadgets to fool with. With "Dynamic Tension" you simply utilize the dormant muscle-power in your own body — watch it grow and multiply into real, solid LIVE MUSCLE.
